

6.4 THE INTERNATIONAL OPEN TENDER PROCEDURE FOR SUPPLIES

The International Open Tender Procedure (from here on named International Open Tender) is like the Local Open Tender except for the rules applicable to advertisement of the Tender Notice and the timeframe for the bid flow. International Open Tenders shall always be advertised internationally and the deadline for submitting a tender shall be at least 30 days after the Tender Notice is published. The International Open Tender is applicable for all purchases above EUR 299,999.

As the commercial risk is higher for high value purchases, please consider the use of prepayment, tender and performance guarantees. For more information on financial guarantees, see section 9.3.

Before the procurement process is initiated, please ensure that all members of the Procurement Committee sign the Declaration of Impartiality and Confidentiality (GEN 2-1). Furthermore, please ensure that the mandatory general Advertisement of Business Opportunities (GEN 8) was published. For more information on the general Advertisement of Business Opportunities, see section 4.11.1.

Publish Tender Notice Internationally

The Tender Notice shall be published in relevant regional and international medias and shall as a minimum describe the supplies to be procured including the essential technical specifications, the rules governing the submission and presentation of tenders, the exclusion, selection and award criteria, and where and when the Tender Dossier can be collected.

Interested Tenderers shall be given a minimum of 30 days to submit a tender from the date of publishing the Tender Notice. The bid flow of 30 days may be longer depending on the nature of the supplies. Tenderers may submit a bid from the day of publishing the Tender Notice until the deadline.

The Tender Notice shall be published in suitable procurement media e.g. newspapers, websites and media required by donor in the country of operation and internationally. Examples of websites for Tender Notice publication are [Relief Web](#), [UN Development Business](#), [dgMarket tenders worldwide](#) or [Ted tenders electronic](#) [dailyted.europa.eu](#)

It is in the interest of the Procurement Committee to ensure the widest possible participation in the tender to obtain the best quality and value for money.
